It should be noted that this show needs the support of the competitors in order to make for an enjoyable day. We would encourage anyone to “have a go”. If there is only one entry in each section, then it is no competition at all. Do not be afraid to have a go, who knows, you may win a first prize at something you’ve never tried before, you may even find you enjoy doing it.

So come on, support YOUR LOCAL SHOW, it is as unique as you, it relies on your support.

Have a fun day out. Good Luck.
